

OUR COMMUNITY IMPACT

MyHaywoodRegional.com

262 Leroy George Drive, Clyde, North Carolina 28721 | 828.456.7311

Haywood Regional Medical Center is proud to be a part of Haywood County and the surrounding areas. As a leader in our community, we strive to provide the highest quality care possible—both inside and outside our hospital walls—and are committed to our region’s overall well-being. By creating places where people choose to come for health care, physicians want to practice and employees want to work, we are creating a legacy of care for today and generations to come. Thank you for supporting our mission of Making Communities Healthier®.

—Rod Harkleroad, *CEO, HRMC*

In 2018, we...

...added 42 employed and affiliated providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. Last year, we added providers in family medicine, urgent care, urology, wound care, behavioral health and plastic surgery.

...made more than \$2.9 million in capital improvements

By continually investing in our facilities, we’re helping to ensure that we continue to meet our community’s health care needs. Last year’s investments included a new geriatric behavioral health unit, 3D mammography, a 64-slice CT scan machine and a number of facility upgrades.

...distributed a payroll of \$66,007,532 to 838 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

...donated more than \$4.9 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$658,027 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
