

OUR COMMUNITY IMPACT

MyHaywoodRegional.com

262 Leroy George Drive, Clyde, North Carolina 28721 | **828.456.7311**

Haywood Regional Medical Center's mission is simple: Making Communities Healthier®. By creating places where people choose to come for health care, physicians want to practice and employees want to work, we are providing quality care close to home and investing in our region's overall well-being. Your support allows us to continue to enhance the many ways we serve and care for Haywood County and the surrounding areas today and for generations to come. Thank you.

— Chris Fensterle, *Interim CEO*

In 2019, we...

...added 31 employed and affiliated providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in interventional heart care, orthopedic surgery, ophthalmology, behavioral health and family medicine.

...made more than \$3.8 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's health care needs. This year, we invested in a telemetry system, a navigation system for our cath lab, new vein clinic equipment, upgraded fitness equipment and other facility improvements.

...distributed a payroll of \$67,644,252 to more than 860 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

...provided more than \$33 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$9,248,543 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
