support all your  
classes**

## CLASS DESCRIPTIONS

**WATER BLAST!:** Use water's natural resistance to improve cardiovascular fitness & muscle tone. Join this Intervals style class that will challenge you for 45 minutes!

**AQUA FIT:** A muscle conditioning water class alternated with low to moderate aerobic training. Feel the music, sing along and have lots of fun! 45 minutes of great energy!

**INTO THE DEEP:** A challenging workout in the deep part of the lap pool, combining cardio and resistance training. Methods of interval training, TABATA and more are used to create fun and effective workouts! Sweat and get a great workout!

**SPLASH:** Develop cardiovascular endurance while having fun! Modifications make this a perfect class for any fitness level. Great combination!

**FLUID MOTION:** Take a plunge and try this low impact workout that builds muscle strength and boosts your endurance. It's fun, and it can be as challenging as you like.

**\*During regular Aqua Aerobics Classes, only 1 or 2 lanes will be available for swim laps.**

**\*Lanes availability: First come, first served.**
